

# Advent Newsletter

NOVEMBER 2017

*Make our lives a prayer of peace.*

Dear members of Saint Ambrose:

A few weeks back I was meeting with several of our 20-somethings to discuss how we, as a parish, can best connect with them and help them in their walk with the Lord. During the discussion, we started talking about the 'craziness' of our world and country – the challenges and tensions that seem to be 'all over the place.' One of the 20-somethings summed it up best when he said, **"In the craziness of our world, I come to Saint Ambrose (Mass) to find peace and calm."**

This Advent we, as a parish community, will focus on finding a deeper, lasting peace in our hearts - our home - our country - our world. **How can we use these four weeks of Advent to make our lives a 'prayer of peace?'**

The challenges and tensions of life are real – at home, throughout the land and in our world. We need to turn to Christ – the perfect gift – to find 'peace and calm.'

**Amid the hectic pace of your life and the busyness of these 'holidays', make time with the Lord, the center and priority of each day – of your life.**

This newsletter contains information about the family programs and spiritual events taking place in our community so you can 'find peace' with the Lord. Each day during Advent, we will post a scripture quote and reflection to help you stay focused on God's peace and calm. **Please visit the website daily at [www.StAmbrose.us/Advent-Reflections](http://www.StAmbrose.us/Advent-Reflections) or visit the Parish Facebook page each day during Advent.**

May God bless you and your loved ones. May these Advent days be blessed with God's abiding peace.

Father Bob Stec

*"No duty is more urgent than that of giving thanks."*

- ST. AMBROSE OF MILAN

**P.S. By the time you read this newsletter, we will have collected hundreds (and hopefully thousands) of gently used coats for distribution in our Alpha Village neighborhoods of Cleveland.** We will also be on track to provide 6,500 meals for Thanksgiving. These are soul-stirring examples of your goodness and the good we do in the name of the Lord at Saint Ambrose. God bless you for your goodness.

## Thanksgiving Community Meal

We need more than 450 volunteers to help feed over 6,500 people this Thanksgiving season! Whether you're a master at rotating turkeys or a food packing machine, we have numerous areas where you can help on Thanksgiving Day and the days leading up to it.

Visit [www.StAmbrose.us/Thanksgiving](http://www.StAmbrose.us/Thanksgiving) to see the areas that volunteers are needed. It is a wonderful opportunity to bring your family together as a way to serve the Lord by serving others. Please contact Lisa at [LHomady@StAmbrose.us](mailto:LHomady@StAmbrose.us) or 330-460-7315 for questions or more information.

## Family Thanksgiving Prayer

O God of wonder, you sent your Son, Jesus, as a blessing upon all who dwell upon the earth. Send your blessing upon the food we are about to share, on those who provided it for us, and upon those who prepared it. As we enjoy this meal, keep us mindful of those who have nothing to eat. May the sharing of this meal renew our efforts to bring the good news to the poor. We ask this through Christ our Lord. Amen.

*We are a Catholic community of faith, centered on Jesus Christ who is everything for us!*

We are richly blessed by a good and gracious God. Please join us as we come together for prayer on Thanksgiving Day to give thanks to God – the giver of all good gifts.

The Annual Ministry Fair will follow all Sunday Masses, except Sunday's 5 pm. The theme this year is "Saint Ambrose is the Place to Bee... Engaged... Involved... Your Best Self". Each one of us is blessed with a unique treasure to help build the Kingdom of God. As good stewards, it is important for us to share our treasure with others and to shine our light. Visit the fair and see all God's work at Saint Ambrose, enter the raffle, and find a new way that you can help Saint Ambrose be the place to bee.

## ADOPT AN *Advent Tree*

**It's a great family tradition!**

During the Advent & Christmas Season you will see over 75 trees around our Parish Campus. We are looking for individuals, families, groups and ministries to adopt a tree to decorate. We will provide the tree and lights, you provide the ornaments. **Please make sure they are water proof and securely fastened to the tree. We ask for a \$30 donation to cover the expense of the tree and lights.** Please call the Parish Office (330.460.7300) or contact Jake Bihari (JBihari@StAmbrose.us) to reserve your tree.

## ADVENT *Kindness Pines*

**Share in the spirit of Christmas...**

Beginning the week of November 19 – December 11, there will be 3 Kindness Pines located at the entryways of the church filled with tags listing items for families in need in our community. **Please consider taking a tag or two sharing the spirit of Christmas – the spirit of giving from the heart.** The tags will give you all the directions and details. **No need to wrap your requested gift; the parents like to do this for their children.**

To give them time to do this, please return all gifts to the designated bins at church entrances (with tag from tree taped to bag) by Sunday, December 11. If you have any questions, please call Catholic Works of Mercy 330.460.7303. Thank you.

## Ministry Spotlight: Good Samaritans

Our Good Samaritans Network is one of the oldest Ministries in our parish and has spent the last 32 years devoting their time to providing care and comfort to those who are in need. Formed by Deacon Frank in 1985, this ministry was created for those who had a calling to help others, to visit the sick in the hospital as well as those at home who are unable to make it to church.

**You can find them at Medina Hospital every Wednesday, Saturday and Sunday morning where they visit patients and their families then spend time afterwards in prayer.** Each visit is as short or long as the patient desires and they are not always the most welcome visits either, depending on the mood or state of the patient, you never know what you're walking into. "You can't judge them for how they may act and they may be a different person the next day, they just need to know that they're not alone

*"It's a beautiful ministry, sometimes even the staff at the hospital will say, there is nothing more we can do for them today, they need you..."* and we will be back the next day," explained Deacon Frank.

The Ministry works together, there are those who visit the hospital and those who have a standing time to make in-home visits. One of the most important things Good Samaritans do for these people is listen... allow them to talk, to ease their burdens and to see and feel God's presence in them, reminding them that they are not alone, Jesus has not abandoned them and they have someone to talk to.

**If you feel called to join this group, please reach out to Deacon Frank at [secesh1246@wowway.com](mailto:secesh1246@wowway.com)**

*"The Lord works really well in the hospital!"*

## The Sunday of JOY!

The third Sunday of Advent is called Gaudete Sunday. The pink candle is lit to remind us so near is the Lord our God. Gaudete means joy and rejoicing!!

Please join us on Saturday, December 16, 2017 for the 4:30 pm Mass as we welcome Bishop Nelson Perez to our parish community. Since his installation in early September, he has echoed over and over again the message of Pope Francis about the joy that comes from living the Gospel.

**It is with great joy that we welcome Bishop Perez to our parish community for Mass and a reception in Hilkert Hall.**

*Please join us!*

## Music Ministry

### Share your gifts and talents!

**There are many opportunities for all ages in Music Ministry - new members are always encouraged and welcomed at any time!**

Our Music Ministry has begun a new season with many exciting things for not only our members, but the parish community. We welcomed a few new members at this year's kick-off, with a fun, exciting evening. All took part in an emotional, touching service of re-dedication as ministers of music liturgy.

FIAT Band and FIAT Choir rocked off to a great start for the kick-off early this fall with our teen musicians on electric bass, guitar, saxophone and singing. We are looking for more teens to join us for our FIAT and Confirmation Sunday Masses at 5:00pm. Contact Max Menkhaus to be part of this awesome group!

There is so much more for the rest of this year, you'll just have to chat with us or come to a rehearsal!

It's simple... it's fun... and most importantly, it's significant in the life of someone in need! We provide the gifts, the address, everything you need - you just deliver them to the families!

**Many thanks to Schade's Auto Body**, a family owned and operated company that has served our community for over 20 years! Schade's has been a Parish Community Partner for 2 years now – supporting the good work we do and servicing our parish vehicles! ## Pray 40 Days Program

### Small Faith Sharing Groups in Homes

We are blessed with an incredibly large parish. In communities this large, it may be difficult not to feel lost in the shuffle. At Saint Ambrose, we pride ourselves on making sure YOU are given the care and attention you need. One of the ways we accomplish this is through Small Faith Sharing Groups in homes.

During this upcoming Lenten Season (and yes, we know it is November), we are looking for families/individuals who want to offer the Pray 40 Days program in their homes or individuals who want to participate in these groups. In just 10 hours you can sponsor and facilitate a weekly session. We have all of the resources. There will be a training in November for all leaders. **To learn more, contact Jane Baldwin at 330.460.7381 or JBaldwin@StAmbrose.us.**

## Lenten Parish Mission with Fr. Michael Denk

### Mark your calendars for February 11-13, 2018

Are you ready to grow in your prayer life? To experience God Like never before? Pray 40 Days & change your life forever. We are excited to welcome Fr. Michael Denk to Saint Ambrose for our Lenten Parish Mission.

**Stay tuned for more details!**

# Joyful Excellence

**This isn't just a catchy saying. It is truly being learned and lived each day at Saint Ambrose School.** We had a strong start to the school year and the momentum continues as we work and play in joyful excellence as a family of God. Teachers and staff spent valuable time connecting with each other and their students with fun community- and team-building games and activities in preparation for a rigorous yet warmly supportive year of faith and knowledge. We are saints in the making and our mission is extraordinary.

**Our outstanding PTU (Parent Teacher Union) is in full force** and in addition to helping us start the school year with great energy and excitement beginning with Spirit Day, the members have provided wonderful family events such as Special Person's Day, Donuts for Dad and most recently our school Harvest Festival.

**Thanks to our wonderful fundraising this past year, we were able to purchase a new laminator for teachers, additional safety radios and new water fountains with water bottle filling stations!** They are fantastic additions and greatly appreciated by all! SAB (School Advisory Board) members have been meeting regularly to assist me in providing everything for every child every day. We are so blessed here at Saint Ambrose School with parents and friends who support us so generously with their time, talent and treasure!

**Assessments are complete and the great work to which we are called continues: helping each student find and develop his or her unique talents and gifts.** Our 21st Century students learn the basics of reading, writing, math, social studies, art, etc., with the integration of 21st Century skills such as Growth Mindset and Habits of Mind, critical thinking, collaboration, creativity and communication, coding and computer science, College Credit Plus classes in geospatial mapping, makerspaces, problem-based learning and more. What an exciting time in education and what a privilege to be leading the way in faith formation and STEM education in the state of Ohio! There are so many wonderful things happening on campus and so much for which to be thankful - especially the opportunity to be together and grow closer with Christ as the reason for all that we do. Through Him EVERYTHING is possible.

***"Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father."***

**Many thanks to Marc's and all their employees who help make many things possible at the parish!** A long time Community Partner and friend of the parish, Marc's helps us with the Festival, Community Meal, Thanksgiving Meals and so much more! If you're doing any grocery shopping this season, stop in and say thanks to our friends at Marc's!

**Unity Catholic Federal Credit Union, right down the street on Pearl is another longtime supporter of Saint Ambrose and the Brunswick Community.** They offer a number of services to our community including a 'free shred day' every fall and spring and '7 Steps to Financial Freedom, in addition to all their other banking services. Stop by Unity and thank them for their support!

# Littlest ANGELS

*A Note from Mrs. Mitchell*

**We are having a great start to our school year at Littlest Angels Preschool!** A new year full of faith, fun and family! Our theme this year is "Our Family of Faith". One of the beautiful things about our preschool is that we have such amazing relationships with our students and families. We are blessed with wonderful families that send their little angels to our program.

**Our mission is to focus on each child's faith formation and to apply new thinking and best practices in Early Childhood Education.** We are implementing new Early Learning Assessment Tools to determine children's individual needs and to inform our instruction. We empower our boys and girls to thrive in preschool! We love them as our own, keep them safe, and provide a creative place for them to grow in His love and in their faith.

**This month, families sent in candy to be shipped to men and women serving in the military from Ohio.** The children were not only asked to bring in their leftover Halloween candy but a few of their favorite pieces as well. Sharing is not easy for our little angels- or for us big angels either, but it brings about a culture of putting others first, having a servant's heart and being thankful for all of God's blessings.

**Have a blessed Thanksgiving full of family, friends, food and fun!**

## Hello from the Youth Ministry Office!

Fall has always been my favorite season, but even more so now because it means all of our great youth ministry programming is back in action and there are an array of opportunities for all of our high school teens to come together to make new friends, have fun, and grow in faith.

**Last Spring as our teen leaders sat down to discuss plans and themes for this school year, they settled on the theme “Anchored in Hope.”** Amid the thousands of distractions and temptations that pull us away on a daily basis, and the hundreds of challenges high school students face, how do we “go against the tide” and stand firm in our faith?

**Throughout the year we’ll have the opportunity to look at these challenges and talk openly about them.** Moreover, we’ll be reminded continuously that we are anchored in our faith and we can put our hope and our trust in Christ. Please keep an eye out – in the bulletin, on our website ([www.myFIAT.us](http://www.myFIAT.us)), our social media, and around the parish – for many great events and programs coming up, and always feel free to stop by the Youth Ministry Office or call us at 330.460.7387!

## Alpha Village

**On Saturday, October 21st over 100 volunteers from our parish and community took part in an Alpha Village Community Cleanup day.** We painted, mulched, trimmed trees and bushes, picked up garbage, provided hope and showed the love of Christ to over 24 homes and families in 3 short hours. Many hands made for light work and the community members and families were all smiling and beyond grateful for our help!

**We’ve been working in the ‘Dream Neighborhood’ for the past 4 years,** providing food, winter clothing, leadership training and doing neighborhood cleanup – focusing our efforts on 5 city streets. It has been great to see the progress and development of the community... Things are cleaner and better kept since we began working there. Our small and sincere efforts are impacting the community. If you want to get involved or learn more – visit [www.AlphaVillage.us](http://www.AlphaVillage.us)

## FIAT Nights

Join us on Sunday evenings for 5pm Mass followed by FIAT from 6-8pm. This is a one-of-a-kind opportunity to gather for great food & friendship to share in discussion and grow in faith.

Check out [www.myFIAT.us](http://www.myFIAT.us) for details!

## Thanksgiving Meal Prep

Looking for a great service opportunity this Fall? Join us on Wednesday, November 22 as we help prepare to feed over 400 people for the Thanksgiving Community Meal! Preparations take place at Saint Ambrose.

**ABLAZE**  
*set our hearts on fire!*

**This year, ABLAZE is gearing up to launch EDGE programming on 7 Monday night PSR sessions.** These nights will offer a space for both PSR and Day School students to fellowship together and will provide a unique opportunity for students to make new like-minded friends and set their sights on serving the surrounding community!

In addition to the 7 EDGE nights, there will be both **social events and service opportunities throughout the year to aide our young teens to grow closer to Christ and our parish family.** Please see the list below and spread the word to your young teen(s)!
