Donut Sunday

Join Us After Mass

The only thing sweeter than Mass on Sunday is sharing donuts afterwards with family and friends. Join us after the morning and noon masses on June 10 for coffee, juice, donuts and company!

...A crowd seated around him told him, "Your mother and your brothers and your sisters are

outside asking for you." But he said to them in reply, "Who are my mother and my brothers?" And looking around at those seated in the circle he said, "Here are my mother and my brothers. For whoever does the will of God is my brother and sister and mother." **Welcome to Ordinary**

Time...we are back to green!!! As we gather together as brothers and sisters in the Lord, the Gospel reminds us that what binds us (and challenges us) is the mandate of Jesus to do the 'will of God' in our lives. We come together to find the strength and nourishment of the Lord so we can do God's work and live God's will in our lives.

...Last weekend we received "GREAT" news. One of our members, **Andrew Lucci, has been accepted into Borromeo Seminary.** Our college seminary program is a great opportunity for guys like Andrew to open their mind and heart to the 'will of God' in their lives. Through learning, prayer, service and community, he will discern God's will and God's call in his life. **Please keep Andrew in your prayers.** Let's pray that all of our high school and college students will keep their hearts open to the will of God in their lives.

...We also received word from the seminary that two of our **high school students – Mary Gill and Melissa Dulik – have been accepted into the Tolle Lege special summer program.** About sixty high school/college students are accepted into this special program to help strengthen young adult Catholic leaders. **This is a special blessing for them and for our community.** Please join me in keeping Mary and Melissa in our prayers.

...Many, many thanks to our **Star4Life Team** who hosted a great 5k run and walk last weekend in support of the Relay for Life efforts. **They did a GREAT job**...had a solid turn out of runners and walkers...and were passionate about helping all of us 'run the race' for the Lord and those who suffer from cancer.

...Many, many, many thanks to all who were so supportive of our Summer Festival Basket Booth collection. Thanks to so many of our members, **we have the**

BEST Baskets to raffle off. You can check out details online at: www.StAmbrose.us/festival.

...As you know, the **Summer Festival** is right around the corner. Please join us for four great days of family fun – **June 21 – 24, 2018. We still need volunteers** to help staff the booths and activities. Many hands make for light work and GREAT days for our community. All the proceeds support our parish and the great work we do for the Lord and so many in our community. **Please spread the word....and please, please join us.** See the rest of the bulletin for details about the amazing raffle, opportunities to volunteer, and the great bands who are coming to the festival!!!

...Many thanks to all who took and placed Yard Signs across the community to promote our summer festival. Nothing is going to beat the 'personal invitation' to join you at the festival. As you know the city's summer celebration has landed on the same week as our festival. **Please make sure you invite everyone you know to join you at Saint Ambrose Summer Festival** – homemade food, FREE admission, incredible bands, and the most AMAZING and welcoming people – YOU!!!

...Speaking of volunteering...and making a difference...last week **Ed Plaspohl received the Medical Mutual Outstanding Senior Award for his ministry and service in our Alpha village city outreach and in his great efforts to feed the hungry and clothe the homeless in both Cleveland and Akron.** Ed is well-known to all the people who work in our kitchen. After any Fish Fry, community event, or community meal, Ed is there to take any/all left overs and help make sure that they quickly get put to good use in feeding and caring for those most in need in our region. It's a beautiful ministry that does so much good. He makes sure that nothing from our parish ever goes to waste, even more, gets put into the hands and mouth of those most in need. **God bless you Ed.** He is one 'platinum' example of the good so many in our parish do to serve those most in need.

...For the next two weeks, please keep our mission team in your prayers. We have two groups heading to the Dominican to finish six homes, install water/sewer lines, teach Vacation Bible School, and bring the comfort and strength of the Lord to those

in need in the Lord's name and on behalf of our community. **Watch for updates and pictures on facebook.** Our mission efforts are one more example of so many striving to do God's work and live God's will within their lives.

...Today's Gospel story has people visiting Jesus 'at home'. They were all 'outside' the front door. We are blessed in our parish to have a wonderful group of members who visit and bring Holy Communion to our homebound members. It's a blessing beyond words both for those who come to visit and those who have the blessing of receiving the Lord. **If you know of someone in our community that would like to have a visit (weekly or monthly), please call the Parish Office.** We want to bring the care and compassion of Christ to all our 'home' bound members.

...This is a GREAT week to sign up for Vacation Bible School.

...Many, many, many thanks for the beautiful (and surprising) celebration of my 30th anniversary of priesthood. I am humbled by your thoughtfulness, kindness, and the outpouring of kind words and cards. As I shared last weekend at the 12 noon Mass, it is my blessing - every day - to witness first hand so many, many in our community living God's will and doing God's work with their lives. Every day I am inspired by your goodness and your deep faith and love for God. **Thank you again... and again... for your kindness and overwhelming support and thoughtfulness.**

...As you may have read/heard last week, many thanks to all who have already responded to our appeal to repair/renovate the Church. So many have been eagerly asking 'how's it going?' **I am thrilled to share that we have raised enough to begin the project.** Watch for more details in the coming week. So many of you have shared how excited you are for this to begin. **Soon and very soon!! God bless you.**

...School is out for summer. Watch out for children. **May God watch over and protect all of us and keep us in His care.** Have a blessed week.

God Bless!

Family Beyond

"For whoever does the will of God is my brother and sister and mother." (Mk 3:35) Family matters, but perhaps our definition of "family" is too small. Try to identify someone outside of your immediate family who did the will of God this past week. Tell them you noticed.

Marriage Moments

Looking outward together

"Love does not consist in gazing at each other but in looking outward together in the same direction." (Antoine De Saint-Exupery) The little prince knew something of marriage. Look out

over your life and see beyond the crabgrass. What is your most cherished common goal?

Unsung Hero

Saint Ambrose School Educators

We, the graduating class of 2018, would like to take this wonderful opportunity to thank all of you who have supported us through our nine years at Saint Ambrose School. **For our principal Mrs. Cinadr, our assistant principal Mr. Dziedzicki,** and for all other teachers and staff who have helped to provide us with an exceptional education. We would like to thank you for helping shape our future into something that is now bright and filled with possibility.

The teachers here are not only teachers for us, but they are role models and supporters. We have learned multiple important life skills such as confidence, responsibility, leadership, perseverance, and focus. Throughout our years at this school, the teachers and staff have been there supporting and guiding us in everything we do. **They implemented the acronym REACH,** which has given us the tools we need to have an open mindset. The R in REACH stands for resilience, teaching us to persevere through all tough times. The E stands for empowerment, which shows us that we can do anything that we set our minds to. The A stands for accuracy, which has taught us a way to be individuals that strive to do the best possible work. The C stands for creativity, which has taught us to think outside of the box. Lastly, the H stands for harmonious, which shows us how to work as one in Christ. **We will now be able to take that acronym, and use it to achieve great things.**

In conclusion, we would once again like to state our everlasting gratitude to all. Each person that has so dearly touched our lives will never be forgotten. **Each day in our lives has been a stepping stone for us and now that it is the end of our journey at Saint Ambrose, a path has been created.**

With Thanks,
Saint Ambrose School Graduating Class of 2018

Healthy Living-Holy Living

New Sessions This June

Couples who learn Natural Family Planning are often surprised to discover that it rekindles the excitement and romance they cherished as newlyweds. They routinely report the restoration of romance in

their lives, not just by the anticipation brought by periodic abstinence but also by the blossoming of other expressions of love during those times. Experience your honeymoon again. And again. If you would like to learn more about NFP or are interested in taking a class, please call Kim Nemet at 330.220.0720 or KNemet@stambrose.us... New Sessions starting June 2018.

Saint Ambrose Catholic School

A Note from the Graduating Class of 2018:

We would like to take this wonderful opportunity to thank all of you who have supported us through our nine years at Saint Ambrose School. If it was not for you and the continuous support that you have provided for our class, we would not be the strong, responsible people that we are today. Throughout our time here, we have had marvelous examples shown us that help us to understand what it means for Jesus Christ to be everything for us every day. **We would like to thank Fr. Stec, Fr. Ramser, Fr.**

Zajac and all other members of the parish who have helped us to grow in our spiritual lives. We, with our excellent religious education (with help from our religion teacher, **Ms. Kadlec**), have grown in faith in multiple ways over the years and will be able to take all that we have learned to continue growing closer to the Lord.

What's more, if it were not for the unending support of our parents, we would not be where we are today. Our parents have faithfully continued to see the importance of Saint Ambrose School in our lives, and have continued to send us here so that each day we can experience God close by our side, through good times and bad. When something happens to one of us, he or she is in an environment where it is known that he or she has someone to count on. In conclusion, we would once again like to state our everlasting gratitude to all. Each person that has so dearly touched our lives will never be forgotten.

If you would like to hear more about any of these opportunities I would love to talk with you. I can be reached at 330-460-7321 or JMajka@stambrose.us

FIAT (Faith In Action Teens)

God Bless Our Core Team

This past Monday, some of our core team members were able to come together for dinner as we wrap up one year of FIAT and ramp up for another. As we gathered, we reflected on some of the many wonderful moments over the past year – sacraments, service, retreats, social outings, FIAT nights, and so much more. And none of them would be possible without our amazing volunteers.

We are blessed beyond measure with this great team who share their time and effort so willingly with our youth – and we desperately need our team to grow! We have hundreds of teens in our parish, dozens of ways to be involved, and there is always a great need for young adults and adults who are willing to share their time. Whether it's helping cook a meal for the teens once a month, driving for a service project twice a year, or helping on our core team on Sunday evenings and everything in between – we need you!

Please consider helping out – a few hours a month really makes a huge impact in the lives of so many of our teens! If you are interested in learning more or are willing to help, please contact Caitlin at 330.460.7387 or Coneill@StAmbrose.us
