

Dear Adult Confirmation Candidate,

Thank you for your inquiry about being an Adult Confirmation Candidate. Congratulations! This is a very, important period in your life. You have chosen to deepen your relationship with God. Saint Ambrose feels privileged to assist you on your faith journey.

The first step in this process is meeting with me to conduct a relaxed interview. The meeting can be done in person or virtually via Zoom. At this time, we will discuss your faith, religious and spiritual life, and reasons why you have selected at this time in your life to be confirmed in the Catholic Church. I will provide you with some resources that will assist you: *My Confirmation Journal* and *Handbook for Today's Catholic*.

The expectations of the Adult Confirmation program include the following:

-  Interview with the Adult Confirmation Coordinator
-  Sign up on the Formed.org website
-  Attendance at training sessions
-  Participation in one spiritual opportunity during Lent
-  Participation in 1-2 service opportunities at Saint Ambrose Parish
-  Confirmation event

Later in the year, we will schedule the training sessions. I will provide you with information regarding events and service opportunities. It is vital that you provide documentation of the Sacraments you have received. It is also important that you select an individual who is fully-initiated in the Catholic Church to be your Confirmation Sponsor. You are most welcome to invite the person who will serve as your Confirmation Sponsor or your spouse to come with you to these meetings.

I look forward to our time together, at this special time in your faith journey, as you prepare to receive the Sacrament of Confirmation.

God bless you,

Linda Kaminski  
Adult Confirmation Coordinator
